- **Bottle size:** 75 cl.

---

### *Analytical Data*

- **Alcoholic volume:** 13.40 % Vol.
- **Volatile Acidity:** 0.36
- **Total Acidity:** 6
- **SO<sub>2</sub> Free / Total:** 30 / 11
- **pH:** 3.45
- **Suitable for vegans**

---

### *Winemaking*

Grapes used for Maruxa Godello are a selection from our vineyards in the villages of Entoma, Regueiron, Valdemiotto and O Serro. Soils in these high altitude vineyards with a 30% inclination are mostly slate.

Manual harvest in cases of 15 kgs to preserve the integrity of the grape. Once the grape arrives at the winery, they're cooled to avoid oxidation. Alcoholic fermentation takes place at controlled temperatures to ensure the wine preserves varietal aromas.

### *Harvest description*

The 2019 harvest took place in the first fortnight of September. The year overall was warm and dry and this resulted in the early ripening of healthy, balanced grapes which were fresh and aromatic. Yields were slightly lower due to hailstorms and drought.

### *Tasting notes*

Bright straw yellow colour.

On the nose, intense and varietal, reminiscent of mature white fruit and very mineral.

Balanced, silky, fresh and persistent on the palate.

Recommended service temperature 10°C.
